

How to connect your bank account with GoCardless?

To enable automatic bank statement downloads (up to 3 times per day), you need to connect your bank account with GoCardless.

Please follow the steps below:

[image-1774946604962.png](#)

In Cloudex TMS first page/dashboard you can see

- 1) Import for bank account need to be made Manually or it is configured it imports payments automatically using GoCardless API
- 2) **Last import** column shows when the last time payments are imported, manually or automatically
- 3) After import payments are related automatically. If some payments could not be related automatically then it shows not related payment count and total unrelated sum
- 4) **click on bank account** and last 30 days unrelated payment list will be opened

Unrelated payments in the last 30 days			
Bank account	Import	Last import	Unrelated payments
SCL Swed Eur	Manual	03.08.2026 15:06	1 / 123,00 EUR
 SCL Luminor Eur	 Auto	06.08.2026 17:36	1 / 150,00 EUR
 SCL Paysera Eur	 Auto	07.08.2026 09:02	1 / 500,00 EUR

 GoCardless expires: 10.08.2026

Revision #5
