

How to open the Active Trips view?

1. Operational work
2. Trips / Speditions
3. Active trips

Required navigation sequence: **Operational work** → **Trips / Speditions**. This opens the planning view.

How to use the Active Trips view?

1. Filters
2. List of currently available trips

By default, trips/shipments will remain in the Active Trips list until their status is changed to "Delivered."

Trip/Spedition TW340 Delivered
