

How to update Order for Carrier and Order for Client rules?

Navigation path: **Your name** → **Settings** → **Classifications** → **Agreement rules** → **Edit**

1. Click **Your name** in the top-right corner.
2. Select **Settings**.
3. Open the **Classifications** tab.
4. Select **Agreement rules** from the menu on the left.
5. Click the **Edit** icon next to the required rule:
 - **Carrier rules for Road** or
 - **Client rules for Road**.

The screenshot shows the CLOUDEX web application interface. At the top, there is a navigation bar with the CLOUDEX logo and several menu items: New, Operational work, Finances, Reports, Emails, and Lists. A search bar is also present. In the top right corner, a user profile dropdown menu is open, showing options like 'My user profile', 'User accounts and permissions', 'Change password', 'Settings', 'Choose default company', 'User accounts for myOzols', 'Compact mode', 'Dark theme', and 'Logout'. The 'Settings' option is highlighted. Below the navigation bar, there is a 'Company settings' section with three tabs: 'Configurations', 'Company settings', and 'Classifications'. The 'Classifications' tab is selected. On the left side, there is a 'Logistics' menu with options like 'Term type', 'Other classifier', 'Department', 'Client category', 'Text template', 'Agreement rules', and 'Price list'. The 'Agreement rules' option is highlighted. In the main content area, there is a table with two columns: 'Name' and 'Translation'. The table contains two rows: 'Carrier rules for Road' and 'Client rules for Road'. The 'Edit' icon (a pencil) is visible next to the 'Carrier rules for Road' row.

Name	Translation
